Guidelines:

Nursery Education

In line with our admissions criteria, we provide fulltime nursery education for children the term after their 3rd Birthday. We also offer part time nursery places in our under 3's to children who meet the child in need criteria. We are currently building our offer to children under 3 to include the 15 hours of free nursery education to eligible 2 year olds. To check whether your child is eligible visit; <https://www.lbhf.gov.uk/children-and-young-people/early-years/family-information-service>

Nursery Education is a free government funded entitlement and is paid directly to the school via the local authority funding system when a child begins nursery, the government fund directly 15 hours of nursery provision for children the term after they are 3. Hammersmith & Fulham local authority fund the additional hours to make up the cost of the full time place.

30 Hours Child Care Offer

Since 1st September 2017 the government are offering additional funding on top of the current 15 hours to children whose parents meet the criteria; to find out if your child may be eligible visit; <https://www.childcarechoices.gov.uk/>

These additional hours are already incorporated into the term time full time places offered at Randolph Beresford.
